## Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kenneth D. Labudda on August 30, 2004.

The following changes have been made to the subject application:

In claim 1, line 25, "it can be" has been changed to --the interrupt initiation switch is --.

In claim 3, line 2, "whrein" has been changed to --wherein--.

The Examiner's amendment has been made in order to comply with the 35 U.S.C 112, second paragraph and to place the application in a condition for allowance.

## Examiner's Comment

1. Figure 1 should be designated by a legend such as --Prior Art--. See MPEP § 608.02(g).

## Reason For Allowance

2. The following is an examiner's statement of reasons for allowance:

The cited art of record fails to teach a half-bridge inverter comprising a control output of a control module being coupled via an interrupt initiation switch to the control

Application/Control Number: 10/606,793

Art Unit: 2821

input of a low half-bridge switch and the interrupt initiation switch is controlled by the current through a level shift switch in such a way that the interrupt initiation switch on only whenever the current through the level shift switch is below a given threshold as defined in claim 1. Therefore, claims 1-12 are presently allowed.

3. Any comments considered necessary by applicant must be submitted no latter than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

## **Inquiry**

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Trinh Vo Dinh whose telephone number is (571) 272-1821. The examiner can normally be reached on Monday to Friday from 9:30AM to 6:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Don Wong, can be reached on (571) 272-1834. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you
